2022 CPME is aware of the recent announcements by the American Board of Podiatric Medicine to offer a Certification (CAQ) in podiatric surgery. CPME does not recognition. CAQs are not equivalent to certification, and they cannot lead to
certification in any specific content area. APMA Submits CLDEE Proposal to OASH August 8, 2022 Last week, APMA submitted its proposal to the Office of the Assistant Secretary for Health's (OASH) request for Comprehensive Diabetic Lower Extremity Exam (CDLEE) service, which would help with prevention of diabetes-related lower extremity.
complications. Kent State Takes Trophy in Podiatry School Student Quiz Bowl July 31, 2022 The fifth annual Podiatry School Student Quiz Bowl took place Saturday afternoon at The National in Orlando, FL. Nine exceptional fourth-year students, one from each of the accredited colleges of podiatric medicine and surgery, competed for bragging rights
(and a cash prize and trophy) for themselves and their school. And the winner is ... Jonathan Westerveld of Kent State University College of Podiatric Medicine! APMA Promotes Student Recruitment at The National July 29, 2022 Furthering APMA's ongoing commitment to student recruitment and to creating a sustainable pool of podiatric medical
student applicants, APMA staff and member volunteers will host a Step into Podiatry career event Friday at The National. The four-hour student recruitment event will feature Q&A sessions with practicing podiatrists and podiatric medical students, meetings with the colleges of podiatric medicine, as well as a tour of the exhibit hall. The event ends
with a hands-on cadaveric suture workshop. Breakfast Symposium Tackles Pain Management for the Post-Op Patient July 29, 2022 According to the Substance Abuse and Mental Health Services Administration (SAMHSA) National Survey on Drug Use and Health, 9.7 million people misused prescription pain relievers in 2019. With an opioid crisis still
looming large, appropriate postoperative pain management is an important consideration for every podiatric surgeon. Educators' Forum Aims to Transform Postgraduate Training July 29, 2022 In a new addition to The National, this year APMA is partnering with the American Board of Podiatric Medicine (ABPM) to present an Educators' Forum. The
two-part forum spans four hours Friday afternoon and is perfect for residency directors and anyone involved in postgraduate training. The goal: to modernize the educational experience for podiatric residents. Prepare for the Blitz! July 29, 2022 The National's Surgical Blitz sessions are back by popular demand! This year, two sessions, one Friday
morning and one Saturday morning, explore Forefoot and Soft Tissue procedures and Rearfoot surgery. The National Today spoke with Dyane Tower, DPM, MPH, MS, senior medical director of Clinical Affairs at APMA and one of the track leaders, to learn more about what attendees can expect from these rapid-fire sessions.
Interventional Radiology + Podiatry: A Limb-Saving Combination July 28, 2022 The five-year mortality rate for critical limb ischemia (CLI) is also on the rise, and many patients are presenting with more severe disease than in years past, making it
more important than ever for podiatric physicians to develop a close working relationship with their colleagues in interventional radiology. Opening Session Examines Podiatry's Role in Population Health, improving the patient experience of care,
decreasing the cost of care, and improving the care team experience and well-being (1). I would assert that these are not aspirational goals, but interconnected imperatives for the future of health care." - Mike DeGere, DPM, MBA Surgical Complications Session Covers Custom 3D Implants, Bone Grafts, More July 28, 2022 The program at The
National is once again split into two convenient tracks, one covering medical topics and the other covering surgical track focuses on a challenge every surgeon will face: complications. The National Today spoke with track leader and moderator Patrick Burns, DPM, to learn more about what attendees can expect. Welcome
to the 2022 APMA Annual Scientific Meeting! July 28, 2022 The National is truly the must-attend event for every podiatrist, covering the entire spectrum of foot and ankle care and representing every voice in podiatric medicine and surgery. This year, once again, we have organized all of our outstanding content into two convenient tracks: One track
will cover medical topics, while the other will focus on surgical topics. APMA and AADA Comment on FCSO Surgical Nail Changes July 25, 2022 On July 22, APMA and the AADA submitted comments to Novitas and First Coast Service Options, Inc. (FCSO) to express their displeasure at the changes in the Surgical Treatment of Nails Policy in Billing
and Coding Article A52998 (Novitas) and A57666 (FCSO). Announcing the APMA DEI Committee Appointments July 18, 2022 APMA is proud to share that the roster for the 2022-23 Diversity, Equity, and Inclusion (DEI) Committee has been approved by the APMA Board of Trustees. Please join us in congratulating the following individuals on their
appointment to the committee. APMA Working to Contest Medicare Skin Substitute Proposals July 18, 2022 In the 2023 Medicare Physician Fee Schedule Proposed Rule, CMS is proposing to change the reimbursement model for skin substitute services in the private office setting. APMA is continuing to review the proposal and preparing to advocate
for members. Advocacy Win—Appropriate Use Criteria Delayed! July 11, 2022 CMS Releases CY23 MPFS Proposed Rule July 7, 2022 The Centers for Medicare Physician Fee Schedule (MPFS) Proposed Rule earlier today. APMA is carefully reviewing the details of this Proposed Rule and
will provide more information soon. CPME Announcements: Call for Third-Party Comments and Draft II Revisions July 5, 2022 CPME reminds interested individuals or institutions about its call for third-party comments with respect to the compliance of the Des Moines University College of Podiatric Medicine and Surgery and the Temple University
School of Podiatric Medicine, and the council's Draft II revisions to CPME publications 320 and 330, which are open for comment. Durable Medical Equipment Policy Updates June 13, 2022 APMA's DME Workgroup is constantly monitoring developments in DME policy that impact podiatric physicians. The DME Medical Administrative Contractors
(MACs) recently issued the following notices. APMA Again Asks for AUC Implementation Delay May 31, 2022 Last week, APMA asked again for CMS to delay the implementation of the Appropriate Use Criteria (AUC) Program required under the Protecting Access to Medicare Act of 2014 (PAMA) and further meaningfully engage affected stakeholders
on the program's implementation and evaluation delay. APMA Comments on NAM's Proposed National Plan for Health Workforce Well-Being May 31, 2022 APMA's Public Health and Preventive Podiatric Medicine Committee originated a number of important points for the National Academy of Medicine's (NAM) consideration related to residency
culture, resilience and mental health resources, reducing administrative burdens, and allowing providers to practice at the top of their training/education/licensure. APMA's Involvement in the evelopment of the Peripheral Artery Disease (PAD) National Action Plan (NAP), a
roadmap enabling national coordination for PAD prevention and treatment to improve outcomes for PAD patients and those at risk. May 31, 2022 In their comment letter, APMA, ASPS, and ASSH underscored the medical, social, psychological, and financial burdens that chronic wounds present for patients and health-care systems, and took particular
exception to limitations on the number of applications of CTPs, required use of RT or LT Modifier, and the incomplete set of included ICD-10 codes. In Search of Parity Workgroup on podiatric medical education and another on
testing. Learn more and express your interest by June 16. April 18, 2022 On April 11, APMA provided comments to CMS and the Yale New Haven Health Services Corporation Center for Outcomes Research and Evaluation regarding the development of a measure focusing on patient receipt of key information related to recovery from an outpatient surgery or procedure. APMA Communicates with Palmetto
About Proposal April 11, 2022 APMA is in contact with Palmetto about this proposal and is collaborating with the APMA Carrier Advisory Committee (CAC) representatives of the involved states to contest this proposal. Abstract Questions Podiatric Surgical Outcomes April 7, 2022 APMA is aware of an abstract presented at the 2021 meeting of the
American Orthopaedic Foot and Ankle Society, which compares outcomes of surgery performed by podiatrists and orthopaedics, the paper in its entirety has not been published, nor to our knowledge has it been accepted for publication by a peer-reviewed journal
It has also been pulled from presentation at future meetings due to problems with the study. More Progress on Amniotic Injections Advocacy Efforts April 4, 2022 Since the last APMA update on this subject, all seven Part B Medicare Administrative Contractors (MACs) have removed the guidance that they would be denying claims for amniotic
injections for musculoskeletal conditions effective March 16, and recouping payment for claims going back to December 6, 2019. New Campaign Spotlights Kids' Foot Health Awareness Month! We hope you will take part in our Today's Podiatrist Keeps Kids Active campaign and help us educate parents and
caregivers about kids' foot health and the important role podiatrists play in keeping kids active. Student Recruitment, and their commitment to student recruitment recruitment to student recruitment to student recruitment to student recruitment to student recruitment recruit
Week April 4, 2022 As the only organization lobbying for podiatrists and their patients on Capitol Hill, APMA goes above and beyond in its legislative advocacy, APMA will host the 2022 APMA Virtual Legislative Conference and Advocacy Week on April 27. In
Memoriam: Kevan Kreitman, DPM March 29, 2022 It is with profound sadness that we share the news that Kevan Kreitman will be deeply missed by a grateful profession. DEI Task Force Update and Committee Nominations March 21, 2022 During the
recent APMA House of Delegates, William Long, DPM, Chair of APMA's Diversity, Equity, and Inclusion (DEI) Task Force, presented the final report to the house detailing the efforts of the Task Force during the past year. Joint Alert from APMA and PICA: Amniotic Fluid Injections March 17, 2022 The following alert is offered to provide risk advice to
podiatrists. In the past five years, podiatric physicians have seen great patient benefits from the emerging use of amniotic fluid injections to treat musculoskeletal conditions, such as plantar fasciitis and tendonitis. Despite these benefits, the FDA has recently stated that it has not approved the use of such products and that further study is needed. On
February 28, all Medicare Administrative Contractors (MACs) announced that they would be denying claims for amniotic fluid injections. APMA is pleased to announce victory on HR 2545, a bill to amend title 38, United States Code, to further clarify the role of doctors of
podiatric medicine in the Department of Veterans Affairs. The bill was signed by the president today. This win is yet another example of APMA's tireless effort to protect and defend podiatric medicine. House of Delegates meeting (HOD) in Washington, DC,
Legislative Advocacy Committee Chair and Trustee William S. Long, DPM, gave attendees a report on the status of APMA's federal legislative advocacy efforts. House of Delegates: Town Hall Forum March 14, 2022 At the 2022 APMA House of Delegates meeting (HOD) in Washington, DC, various leaders participated and led discussions on various
important topics in a Townhall Forum. Student Recruitment Update March 14, 2022 At the 2022 House of Delegates meeting, APMA Director of Young Physicians and Students Tiffany Kildale updated delegates on the more than 18 million prospective students reached
through the Step Into Podiatry campaign and the long-term implications of the campaign for applications. Awards Presented at 2022 APMA House of Delegates meeting is an opportunity not only to come together to create policy and priorities for the association, but also to celebrate the outstanding
work of APMA members. During the meeting Saturday, several awards were presented. Guest Speakers at the 2022 APMA House of Delegates convened in person in Washington, DC, on Saturday. Guest speakers addressed the house, bearing greetings from our physician peers and messages of thanks
for the work of the house. Introducing APMA Weekly Focus Sponsor: Ortho Dermatologics March 7, 2022 APMA is proud to introduce Ortho Dermatologics is a Corporate Partner of APMA that has supported many initiatives for APMA members, including both
CECH and non-CECH educational programs over the past decade. March 7, 2022 As an NCICLE member, CPME was given the opportunity to nominate a resident or fellow to represent podiatry on a newly formed NCICLE Learner Advisory Group. CPME was given the opportunity to nominate a resident or fellow to represent podiatry on a newly formed NCICLE Learner Advisory Group.
chosen to serve on the advisory group and they will join MD and DO residents and fellows to discuss current trends, challenges, and opportunities to improve the clinical learning environment from the perspective of a resident. Providers who received a payment from the initial $30 billion general distribution must sign and attestation Portal Open; What You Must Do Now April 20, 2020 The CARES Act Providers who received a payment from the initial $30 billion general distribution must sign and attestation Portal Open; What You Must Do Now April 20, 2020 The CARES Act Providers who received a payment from the initial $40 billion general distribution must sign and attestation Portal Open; What You Must Do Now April 20, 2020 The CARES Act Providers who received a payment from the initial $40 billion general distribution must sign and attestation portal Open; What You Must Do Now April 20, 2020 The CARES Act Providers who received a payment from the initial $40 billion general distribution must sign at the first payment from the initial $40 billion general distribution from the initial $40 billion ge
COVID-19. Some providers have already received payments from this initial distribution. These are grants, not loans, and do not have to be repaid. APMA Advocacy Update April 13, 2020 APMA has been working hard to ensure our members are seen, heard, and represented as various government agencies work to address the ongoing COVID-19
pandemic. Last week, APMA advocated for members via several key mechanisms. "How Your Practice Can Survive COVID-19" Webinar, Q&A Posted April 13, 2020 If you were unable to join last week's webinar, "How Your Practice Can Survive COVID-19" Webinar, Use a contract of the various financial resources and loans available to small businesses, it is
now posted for you to watch at your convenience. Coronavirus (COVID-19) Information April 9, 2020 The COVID-19 public health emergency continues to pose new and unprecedented challenges for our health-care system and individual physicians and practices. APMA is here to help its members navigate these difficult times and continue to deliver
the highest-quality foot and ankle care to patients. COVID-19 Update: Podiatrists Can Provide E/M Services Remotely April 9, 2020 During the COVID-19 Public Health Emergency, there are four main non-face-to-face services may differ
based on the patient's insurance and state licensure and state licensure guidelines before providing any service. DOL Issues Update on Expansion of FMLA April 6, 2020 Last week, the US Department of Labor's Wage and Hour Division (WHD) published more guidance on the new FMLA benefits under the Families First
Coronavirus Response Act (FFCRA), which went into effect on April 1. Updates to Non Face-to-Face Services, New Telehealth Resource Page April 6, 2020 APMA is working hard to make sure members have access to the most up-to-date information on recent changes to how and what services podiatric physicians can provide to patients via non face
to-face services. As of March 30, the biggest changes for Medicare and Medicare Advantage patient billing are the following. APMA submitted comments to both CMS and the Department of Labor (DOL). In both comments, APMA explicitly asked for additional regulatory relief,
given the national public health crisis (www.apma.org/commentletters). CMS Announces New Financial Relief for Medicare providers and suppliers to ensure they have the resources needed to combat the
2019 Novel Coronavirus (COVID-19). This program expansion includes changes from the recently enacted Coronavirus Aid, Relief, and Economic Security (CARES) Act. CMS Provider Enrollment Relief related to COVID-19" on March 22,
which includes the toll-free hotlines available to provide expedited enrollment and answer questions about COVID-19 enrollment requirements. APMA House of Delegates Meeting, The Coding Seminar Canceled March 11, 2020 APMA places the highest value on the health and wellbeing of its members and staff. In light of new developments in the
 rapidly evolving COVID-19 outbreak, the APMA Board of Trustees has voted to cancel the 2020 House of Delegates meeting scheduled for March 13-16 in Washington, DC, and The Coding Seminar, scheduled for March 28 in Dallas. APMA Comments to CMS
on March 6 in response to CMS' Advance Notice of Methodological Changes for Calendar Year (CY) 2021 for Medicare Advocacy Grant February 10, 2020 RIPMA was recently awarded an APMA CPA Assistance Grant to help obtain a legal opinion related to a
hospital discrimination issue. APMA Responds to CMS January 21, 2020 APMA once again informed CMS that over the past several years, state law has been amended to clearly permit podiatric physicians and surgeons to supervise physician assistants (PAs), and more. Important DME MACs Requirement Change
January 13, 2020 Effective January 1, 2020, the DME MACs have changed the requirement for a "Standard Written Order." WPS Wound Care LCD Victory January 5, 2020 APMA is thrilled to announce a recent victory with a formal reconsideration request to Wisconsin Physicians' Services (WPS) to
correct its problematic Wound Care Local Coverage Determination (LCD). Calling all WPS Member States! October 28, 2019 If you are a member practicing in Indiana, Iowa, Kansas, Michigan, Missouri, or Nebraska, be on the lookout for an action alert from your state component! APMA Comments on CMS' Proposed Rules September 30, 2019 APMA
submitted three formal comment letters to CMS on September 27 in response to its CY 2020 Medicare Physician Fee Schedule (MPFS), Outpatient Prospective Payment System (OPPS), and the End-Stage Renal Disease/Durable Medical Equipment, Orthotics, Prosthetics, and Supplies (ESRD/DMEPOS) Proposed Rules. APMA Announces Member-
Exclusive Health Insurance Solutions September 16, 2019 Are the costs of health insurance draining your wallet? APMA has a brand new, member-exclusive benefit designed for you. APMA's health insurance solutions can help cut your practices of any
size. June 10, 2019 APMA met with CMS on June 6 to voice concerns about changes to Local Coverage Determination (LCD) and Carrier Advisory Committee (CAC) processes. APMA also continued to lobby for administrative simplification of the Medicare Therapeutic Shoes for Patients with Diabetes (TSDs) program, as it aligns with CMS' Patients
over Paperwork and provider burden reduction initiatives. March 17, 2019 On Sunday, March 17, David G. Edwards, DPM, was installed as APMA president by Mark F. Rogers, DPM. Dr. Edwards stated that his vision for the coming year is tied to the pioneering spirit of our country that is embodied in the profession. Coding Alert—Dispensing Bilateral DME Items December 17, 2018 The coding guidance that
exists when dispensing bilateral DME items is changing, effective March 1, 2019. This change applies to ankle-foot orthoses, knee-ankle-foot orthoses, lower limb prostheses, surgical dressings, orthopedic footwear, and therapeutic shoes for persons with diabetes. Novitas LCD Clarification Victory August 20, 2018 Since last November, APMA has
been working with our Novitas Carrier Advisory Committee (CAC) representatives, Novitas has changed the language, releasing a new LCD with an effective date of August 16,
2018. Under this new LCD, if the patient qualifies under "mycotic nail debridement" and debridement is performed without concomitant pharmacologic therapy, mycologic confirmation is expected. APMA Achieves Major Federal Legislative Success June 6, 2018 President Trump has signed the John S. McCain III, Daniel K. Akaka, and Samuel R.
Johnson VA Maintaining Internal Systems and Strengthening Integrated Outside Networks Act of 2018, or MISSION Act. A5513 and K0903 Victory! March 20, 2018 APMA is very pleased to announce that after much advocacy by APMA and the American Orthotic and Prosthetic Association (AOPA), diabetic shoe inserts fabricated using scanning
devices will be reimbursed the same as those inserts made over a positive model of the patient's foot, effective April 1, using a temporary HCPCS code, K0903. Dennis R. Frisch, DPM, was installed as president of APMA by Ross A. Taubman, DPM. Dr. Frisch
addressed the house, outlining APMA's accomplishments and his goals for the coming year. He promised to devote his energy toward moving forward together as well as the importance of APMA membership. In Memoriam: Harry Goldsmith, DPM, after
a battle with cancer. Dr. Goldsmith was a noted coding expert and a consultant to the APMA Coding Resource Center, and he supported APMA's RUC and CPT initiatives, committee activities, and other efforts. APMA
Remembers Harry Goldsmith, DPM, at HOD March 17, 2018 The APMA House of Delegates took time on Saturday to honor the memory of noted coding expert and APMA consultant Harry Goldsmith, DPM, of California, who passed away on February 7. New MIPS FAQs Available on APMA.org October 23, 2017 A new set of FAQs addresses the MIPS
quality payment program. It is available on the MACRA resource page, along with other valuable MACRA-related tools. Share Feedback on Proposed Bylaws Changes to the bylaws, which would be considered by the 2018 House of Delegates and enacted by
procedures modifications at the 2019 House of Delegates meeting. APMA is seeking feedback from members on these proposed Changes. Feedback is due November 30, 2017. APMA Defeats Proposed Changes. Feedback is due November 30, 2017. APMA Defeats Proposed Changes.
6012-P, which would have required previously exempted, qualified practitioners including podiatrists to obtain additional certification and licensing to furnish and fabricate orthotics and prosthetics. In Memoriam: Jerry D. Brant, DPM September 18, 2017 APMA is saddened to announce that Past President Jerry D. Brant, DPM, passed away
September 17 after a battle with pancreatic cancer. Congratulations 2017 Abstract Competition Winners July 20, 2017 The VA Provider Equity Act (HR 1058) was passed unanimously in the House on July 24. The APMA-crafted legislation aims to
resolve ongoing recruitment and retention issues for podiatrists employed by the Veterans Health Administration (VA). How to Avoid a MIPS penalty. Dr. Evans Honored with Award of Excellence March 19, 2017 John Evans, DPM, was
honored with the Award of Excellence on Sunday, March 19. Dr. Evans was nominated by Crystal Holmes, DPM, president of the Michigan Podiatric Media—What Can It Do for Your Practice? January 17, 2017 Social media has woven its way into every part of our lives, including health care.
According to MediaBistro.com, 40 percent of those surveyed reported information they see via social media impacts how they handle their health. How are you using social media to help promote your practice? APMA MACRA Comment Letter December 19, 2016 APMA submitted comments to CMS on December 19 regarding the finalized rule for the
Medicare Quality Payment Programs, the Merit-Based Incentive Payment System (MIPS) and Advanced Alternative Payment Model (APMs). APMA Actively Reviewing Quality Payment Program Rule October 14, 2016 This morning, CMS announced the final rule implementing the Merit-Based Incentive Payment System (MIPS) and Advanced
Alternative Payment Model (APM) provisions in MACRA, which are collectively known as the Quality Payment Program. CMS Raises the Bar for Coding Accuracy October 1 September 26, 2016 When ICD-10 was adopted on October 1, 2015, CMS instructed Medicare contractors to not deny claims billed under the Part B physician fee schedule
through either automated medical review or complex medical review or complex medical record review based solely on the specificity of the ICD-10 diagnosis code as long as the provider used a valid code from the correct family. This policy will end on October 1, 2016. New FAQs on Final 1557 Notice Requirements Now Available September 26, 2016 In response to a number
of questions and feedback from members, APMA has created an FAQ page, with a printable PDF version, for the final section 1557 notification. View the document today to prepare your office for the October 16 compliance deadline. CMS Announces MACRA Implementation Plan September 8, 2016 CMS announced today that it will allow physicians
participating in MACRA's Quality Payment Program four options to comply with the first year of the law and avoid penalties. APMA, along with other physician specialties, have called on CMS to delay implementation and provide more flexibility in the program. Private Insurance Resource
Guide (PIRG) is an online, detailed guide just for members on elements of insurance related to the practice of podiatry. August 22, 2016 The 2015 Physician Quality Reporting System (PQRS) feedback reports will be available in September for individual eliqible professionals (EPs) and PQRS group practices. The 2015 Annual Quality and Resource Use
Reports (QRURs) will also be available in September for groups with two or more EPs and solo practitioners. CMS Releases 2017 MPFS Proposed Rule July 11, 2016 CMS releases the CY 2017 Medicare Physician Fee Schedule (MPFS) proposed Rule July 11, 2016 CMS releases to evaluating the rule's impact on our members. CMS
Webinar on Resource Use Performance Category June 6, 2016 CMS invites the public to join an upcoming listening session on June 8, 12-1 p.m. EDT, to learn more about the Resource Use performance category, part of the Merit-Based Incentive Payment System (MIPS) proposed in the recently released MACRA Notice of Proposed Rulemaking
(NPRM). APMA Coding Committee Convenes This Week June 1, 2016 The APMA Coding Committee will meet on Friday, June 3, to discuss hot topics in coding, including ICD-10, X modifiers, global day post-op evaluations, and CPT updates. CMS Nail Debridement and E/M Services Webinar June 1, 2016 Join CMS for a webinar on the comparative
billing report on Podiatry: Nail Debridement and Evaluation and Management (E/M) Services (CBR201608), Wednesday, June 22, from 3-4:30 p.m. EDT. Veterans Deserve Better! Sign the Petition April 18, 2016 Recently, a number of APMA members have
expressed concerns to APMA on the possible reduction in reimbursement they might face, under the Medicare film/cassette imaging service payment reduction provision in the 2016 Consolidated Appropriations Act. APMA Sponsors Capitol Hill Briefing on Limb Salvage March 29, 2016 APMA sponsored a briefing on Capitol Hill underscoring for
legislators and staffers the critical importance of podiatrists in diabetic limb salvage and promoting the Helping Ensuring Life- and Limb-Saving Access to Podiatric Physicians (HELLPP) Act. Paul Kinberg, DPM, Accepts Award of Excellence on Sunday, March 20. Dr.
Kinberg was nominated by Leslie Campbell, DPM. The award is presented to members in good standing in recognition of outstanding service to APMA. APMA Remembers Oliver "Ollie" Foster, DPM, at HOD March 20, 2016 The
APMA House of Delegates took time on Saturday to honor the memory of past Delegate Oliver "Ollie" Foster, DPM, of California, who passed away last week. The APMAPAC Kaplan-Clarke-Foster Practice Management Seminar is named in honor of Dr. Foster, who was an avid supporter of the PAC. Dr. Caporusso Receives Distinguished Service
Citation March 20, 2016 APMA President Phillip, E. Ward, DPM, presented APMA Past President March 20, 2016 On Sunday, March 20, R. Daniel Davis, DPM, Installed as APMA President March 20, 2016 On Sunday, March 20, R. Daniel Davis, DPM, with the Distinguished Service Citation on Saturday at the 96th Annual APMA President March 20, 2016 On Sunday, March 20, R. Daniel Davis, DPM, Installed as APMA President March 20, 2016 On Sunday, March 20, R. Daniel Davis, DPM, Installed as APMA President March 20, 2016 On Sunday, March 20, R. Daniel Davis, DPM, Installed as APMA President March 20, 2016 On Sunday, March 20, R. Daniel Davis, DPM, Installed as APMA President March 20, 2016 On Sunday, March 20, R. Daniel Davis, DPM, Installed as APMA President March 20, 2016 On Sunday, March 20, R. Daniel Davis, DPM, Installed as APMA President March 20, 2016 On Sunday, March 20, R. Daniel Davis, DPM, Installed as APMA President March 20, 2016 On Sunday, Marc
DPM, was installed as president of APMA by Marc Lederman, DPM. Dr. Davis addressed the house, outlining APMA's accomplishments and his goals for the coming year. He promised his high energy and passion for podiatry as the cornerstone of his president Phillip E. Ward, DPM, honored Dyane
Tower, DPM, MPH, MS, with the Rising Star Award on Saturday. Get Hands-On Surgical, Ultrasound Experience March 17, 2016 For those podiatrists looking for more in-depth learning than a standard lecture when they attend a foot and ankle conference, The National offers three hands-on workshops. Deadline to Register with Specialty Registry
February 29 February 29, 2016 Registry reporting remains a significant aspect of the CMS EHR Incentive Program and Physician Quality Reporting System. In order to meet meaningful use requirements (Objective 10 Measure 3) eligible professionals must
submit their intent or connect to a specialty registry by today, February 29. APMA Director of Young Physicians' Programs Nichol Salvo, DPM, testified on behalf of APMA before the US House Veterans Affairs Committee on Health, last week. Her focus was on
how disparity within the VA hinders recruitment and retention of podiatrists. James A. Lamb Accepts President's Award March 22, 2015 Frank Spinosa, DPM, presented his President's Award to James A. Lamb, retired executive director of the American Board of Foot and Ankle Surgery (ABFAS), in recognition of his 18-year tenure at ABFAS and his
many contributions to the profession. Phillip E. Ward, DPM, Installed as President Ward, DPM, Installed as President by his daughter Meredith Ward, DPM, was installed as president by his daughter Meredith Ward, DPM, was installed as president by his daughter Meredith Ward, DPM, as Next Executive Director
and CEO March 21, 2015 APMA is pleased to announce that James R. Christina, DPM, has been confirmed as its new executive director and CEO. Dr. Christina was selected after a lengthy national search process conducted by JDG Associates executive search firm and confirmed by the House of Delegates today during its annual meeting. Bipartisan
Medicare SGR Overhaul Bill Unveiled in Congress March 20, 2015 On March 19 leaders in the US Senate released bipartisan, bicameral legislation to replace the broken Medicare Sustainable Growth Rate (SGR) formula with an improved payment system that rewards quality, efficiency, and innovation. The
bipartisan, bicameral bill seeks to end the cycle of annual 'doc fix' crises that have created uncertainty for millions of Medicare providers and beneficiaries for more than a decade and also create a system that promotes higher quality care for America's seniors. Podiatrists, Other Medical Professionals Report Tax Scam March 9, 2015 Several
podiatrists from different states alerted APMA last week that they have been victims of tax scams and possible identify theft. After further research by APMA, it appears that the same or similar tax scams and possible identify theft. After further research by APMA, it appears that the same or similar tax scams and possible identify theft.
Ensure Life- and Limb-Saving Access to Podiatric Physicians (HELLPP) Act, was introduced to the 114th Congress on March 4 by US Sens. Chuck Grassley (R-IA) and Charles Schumer (D-NY) in the Senate and US Reps. Renee Ellmers (R-NC) and Diana DeGette (D-CO) in the House. The bipartisan HELLPP Act includes multiple comprehensive
reforms that will enable podiatric physicians to continue to save lives, limbs, and health-care dollars. The net result of implementing these common-sense provisions would be significant improvements to patient access to quality foot and ankle care and tremendous savings for the Medicaid and Medicaid an
